

NorthShore

Children's Museum

North Shore Children's Museum (NSCM) opened in Peabody, MA in October 2022. Our mission is to bring together children, families, and their community with accessible, hands-on learning through play. Our exhibits and programs are geared toward children 2-8 years old, but we welcome guests of all ages and capabilities.

Volunteer Opportunities

Are you looking for a fun way to give back to the community? NSCM is looking for weekday and weekend volunteers to join our team!

Volunteers are crucial to our ability to deliver excellent customer service for families and enriching educational experiences for children.

Roles include: Greeter/visitor check-in, staffing the gift shop, re-setting exhibits and serving as a resource for visitors.

Looking for a fun outing with your grandkids?

With 15 different exhibits to explore and many program offerings, there is always something new to discover at NSCM!
