

Welcome to the MassHealth Dental Program

Dental Benefits for MassHealth Members

Welcome to the MassHealth Dental Program. We are proud to provide access to comprehensive dental care to more than 2 million children, adults, seniors, and individuals with disabilities across Massachusetts. We believe that good oral health leads to good overall health and we are here to help!

This resource is designed exclusively for MassHealth, Children Medical Security Plan, Health Safety Net members and includes information that can impact your oral health, as well as your overall health and well-being. The MassHealth Dental Program is administered by BeneCare Dental Plans under a contract with the Executive Office of Health and Human Services.

MassHealth members can choose to see any dentist in the MassHealth network. No claim forms are required, and no referrals are required for specialty care. Call us for assistance in finding a dentist, making an appointment, and/or understanding your MassHealth Dental benefits.

[Call 844-MH-DENTL \(844-643-3685\)](tel:844-643-3685) or [Click here to FIND A DENTIST online](#).
